Dear Parent(s)/Guardian(s)

Following on from our information evenings on our Digital strategy and chromebook roll out we would like to bring the following to your attention:

The presentation used on the night can be found on our website [here](#).

Please note that you may access information on the use of the Credit Union educational loan [here](#).

We are very excited about this new initiative and we look forward to enhancing even further the learning experience for our students in Colaiste Muire whilst maintaining our excellence in teaching and learning in the classroom.

Your investment in chromebooks at this point in your sons/daughters educational journey is a long term investment of 6+ years. Students will be able to continue to use these devices during their senior cycle here in Colaiste Muire where research and project work will be a part of their senior cycle subjects.

Preferred Model

As you are aware we are a google workspace school and thus we recommend the following Chromebook to purchase:

Lenovo 300e Chromebook- Generation 3

As a staff we also use this Lenovo chromebook and find it to be the most suitable chromebook on the market for us at this time. This device has a touchscreen, a pen and can be used in laptop, tent or tablet mode and will therefore give flexibility to students when using either in school or at home.

Our preferred partner for the supply of devices for the 2022-2023 school year is Perduko Ltd. We have negotiated a discount with Perduko Ltd for Coláiste Muire customers.

Discount code

The €30 discount code to be used is : CROSSHAVEN30

The discount code is active on (can only be used with) the following products :

Lenovo 300e Chromebook Gen 3

Lenovo 300e Gen 3 Bundle

The discount code will remain active until April 22nd.

Multiple devices

If anyone is purchasing multiple machines, they can contact onlinesales@perduko.com for pricing.

Process

After April 22nd, a bulk order will be placed. Parents will be kept informed as to the progress of their order.

Please note that there are supply constraints at present. We do envisage a delay with receipt of goods but we envisage that the product will be delivered to you in time for the back to school start in Aug/ early September. Should there be any further delays we will get back to you.

The Link for the Perduko shop is as follows:

Students can simply tap, scroll, and swipe with a finger or use the optional garaged stylus on the Lenovo 300e Chromebook Gen 3's 11.6" device. It's ideal for taking tests, drawing, and notetaking on the touch display or using the full-sized keyboard. The 360-degree hinge enables comfortable and convenient modes. In addition to a variety of ports and a battery that lasts more than a full day on a single charge, the Lenovo 300e Chromebook Gen 3 features a 720p HD front-facing camera that turns any classroom into an interactive learning environment. This device boasts rugged durability like water resistance and mechanically anchored keys, as well as seamless security features.
